TRUXEDO

TRUCK BED COVERS

LO PRO

AMERICA'S #1 SELLING ROLL-UP TONNEAU

Truxedo LoPro Tonneau Cover

- Mounts on inside of bed for sleek, low-profile appearance
- Patented automatic tension control keeps cover looking great in any weather condition
- One finger release opens quickly and easily
- Installs in minutes with pre-assembled, quick attach cover system

TRUXPORT

Truxedo TruXport Tonneau Cover

- Straight cross tubes roll up with the cover and provide a smooth, flat look when closed
- Easy, no drill clamps allow for a simple installation
- Patented automatic tension control keeps cover looking great in any weather condition.

SENTRY

Truxedo Sentry Tonneau Cover

- Industrial strength vinyl fabric
- Xtra-Low profile rails provide distinctive flush mount look
- Heavy duty matte black aluminum slats are pressure bonded to the fabric for additional strength and resiliency
- Quick and easy installation with extra security latch for added protection

SENTRYCT

Truxedo Sentry CT Tonneau Cover

- Premium matte black woven fabric with dirt resistant characteristics to help stay clean longer
- Xtra-Low profile rails provide distinctive flush mount look
- Heavy duty matte black aluminum slats are pressure bonded to the fabric for additional strength and resiliency
- Quick and easy installation with extra security latch for added protection

TRUXEDO

TRUCK BED COVERS

Truxedo ProX15 Tonneau Cover

- Mounts on inside of bed for Xtra-low profile, flush mount look with stylish matte-black appearance
- Unique self-leveling design allows for more accurate installation
- Patented automatic tension control keeps cover looking great in any weather condition
- Installs in minutes with pre-assembled, quick attach cover system

DEUCE

Truxedo Deuce Tonneau Cover

- Dual bed access - roll the cover towards the cab for full bed access or fold back front panel to access front cargo
- Mounts on inside of bed for sleek, low-profile appearance
- Patented spring tension self-adjusts to keep cover tight in fluctuating temperatures
- Installs in minutes with pre-assembled, quick attach cover system

Truxedo Elevate Rack System

- Works with most tonneau covers that mount inside truck bed rails without overlapping stake hole pockets
- Adjustable rack design can be positioned from 18" to 28" for greater versatility and easier loading and unloading
- Made from rustproof aluminum with powder coat finish
- Perfect for kayaks, canoes, bikes, cargo baskets, roof-mounted tents and more

Truxedo LoPro Custom Cover

- Customized truck bed covers for classic and custom trucks
- Custom designed for use with toolbox
- Installs in minutes with pre-assembled, quick attach cover system

**SOLID
FOLD 2.0**

extang
truck bed covers

TRIFECTA

Extang Solid Fold 2.0 Tonneau Cover

- Great-looking finish matches your truck bed caps
- Patented front Jaw-Grip and rear EZ-Lock clamps work smarter not harder
- Exclusive sealing system provides the most weather resistant cover
- Exclusive lightweight material provides the ultimate in dent resistance and will not fade

Extang Trifecta 2.0 Tonneau Cover

- Sleek lines and soft curves create a smoother, more contoured, low profile appearance
- Easy to install - no drilling and no rails
- Patented front Jaw-Grip and rear EZ-lock clamps work smarter not harder
- Strongest frame in the industry, made of lightweight aircraft grade-aluminum

**SOLID
FOLD ALX**

TRIFECTA ALX

Extang Solid Fold ALX Tonneau Cover

- Auto-latching system automatically secures cover into place when closed
- Lightweight, 1-inch thick EnduraShield panels provide strength and durability with a weight rating of 600 lbs. evenly distributed
- Extang engineered Secure Rotary Release Latching System is easy to operate and provides an added level of security
- Matte Black Textured Finish with powder coated aluminum frames & hinges for extra wear resistance
- Exclusive hard polymer rubber corners, hinge caps and snap-on seals helps resist from harsh weather

Extang ALX Tonneau Cover

- Same great features as the Trifecta 2.0 but with a Secure Rotary Release Latching system at the tailgate and an automatic latching feature
- Automatically secures in place as it makes contact with the bed, allows for quick close and latching of the cover without the aggravation of tailgate clamps
- Heavy-duty, Ancona pebble grained fabric protects your bed and precious cargo from water, dirt and dust
- Sturdy T-Handle cab clamps attach directly to your bed flanges and allows for quick cover removal for full bed use in seconds, without tools

extang

truck bed covers

XCEED

Extang Xceed Tonneau Cover

- Flush mounted, hard-folding cover offers full bed access when open
- Aluminum panel construction and full perimeter frame provides exceptional durability
- Unique four-panel construction reduces overall height when open and quick release support rods to securely hold cover at an upright 90 degrees
- Dedicated to providing the ultimate in water resistance, the exclusive EnduraCoat covering and all new extruded side seals keeps water out and gear safe
- Matte black finish and textured powder coated aluminum frames and hinges for extra wear resistance and protection

SIGNATURE SERIES TRIFECTA 2.0

Extang Trifecta Signature Series Tonneau Cover

- Sleek lines and soft curves create a smoother, more contoured, low profile appearance
- Premium, heavy-duty canvas tarp
- Easy to install - no drilling and no rails
- Patented front Jaw-Grip and rear EZ-lock clamps work smarter not harder
- Strongest frame in the industry, made of lightweight aircraft grade-aluminum

TRIFECTA E-SERIES

Extang E-Series Trifecta Tonneau Cover

- Soft folding truck bed cover topped with durable vinyl
- Lightweight aluminum frame and heavy-duty support bows span the width of the truck for added durability
- Engineered with intuitive, spring-loaded tailgate clamps
- Fully assembled with a simple no tools required installation process, plus cover can be removed in minutes to maximize space for large cargo

TRUCK BED COVERS

Bakflip G2 Aluminum Hard Folding Cover

- Offers full bed access with a sleek, low-profile design
- Integrated buckle system allows driving with the cover folded, flipped up, or closed
- Patented latch system is concealed under the cover - simply lock the tailgate to secure the contents of the bed
- Perfect cargo management solution and compatible with almost any truck bed accessory

Bak Revolver X4s Hard Rolling Tonneau Cover

- Top-to-bottom matte-black industrial grade vinyl for a sleek, stylish appearance
- Patented rotational locking rails secure the full length of the bed
- Integrated safety slat caps for protection when rolling
- Integrated bulkhead seal for superior sealing
- Durable strap and buckles to secure the open cover while driving
- Automatic latch secures easily and releases from either side of the bed
- Full access to stake pocket holes for additional accessories

Bakflip MX4 Matte Hard Folding Cover

- Heavy-duty, all season truck bed cover designed to perform in the most extreme conditions
- Upgraded components provide enhanced resistance to the elements without compromising the sleek, low-profile look and feel
- Injection molded latch housing for long-term durability
- Durable Aluminum Matte finish panels provide advanced scratch and scuff resistancy

Bak RevolverX2 Hard Rolling Tonneau Cover

- Patented locking rails secure the full length of the bed
- Easy to use automatic slam latches
- Simple one handed operation with no lifting required
- Fast clamp on installation
- 100% access to bed in seconds
- Tough Security

RetraxPro MX Bed Cover

- Combines industrial strength aluminum construction with an incredibly resilient matte finish
- Patented low-profile design that streamlines appearance while providing superior protection
- Cover stays flush to the rails which creates dependable seal and keeps the elements out to protect cargo
- Sealed ball-bearing roller system glides effortlessly along rail with convenient handle eliminating need for pull straps or springs
- Key lockable in any position for flexibility in hauling

RetraxOne MX Bed Cover

- Matte Polycarbonate Bed Cover provides superior impact resistance
- Patented low-profile design that streamlines appearance while providing superior protection
- Cover stays flush to the rails which creates dependable seal and keeps the elements out to protect cargo
- Sealed ball-bearing roller system glides effortlessly along rail with convenient handle eliminating need for pull straps or springs
- Key lockable in any position for flexibility in hauling

RetraxPro XR Bed Cover

- XR Series combines the Pro MX with the integrated Trax Rail System that allows for unique and personal customization
- Premium Aluminum series cover combines industrial strength aluminum construction with an incredibly resilient mate finish
- Patented low-profile design that streamlines appearance while providing superior protection
- Optimizes cargo capacity with the cover open or closed, providing the ultimate versatility in cargo management - compatible with most T-slot accessories
- Sealed ball-bearing rollers mounted onto the aluminum support beams allow the cover to close effortlessly without the use of springs so no moving parts to jam, freeze or fail

Retrax IX Bed Cover

- Constructed of strong, aluminum slats and powder coated in a matte, textured black finish to withstand nature's toughest elements
- Features a custom spiral canister preventing wear and tear on the cover when rolled up
- Flexible hauling options with three customizable latching positions
- Utilizes bolt-on clamps to attach the cover to the bed rails for a simple, no-drill install within 30 minutes
- Quick-release handle allows the cover to easily glide on 4 sealed roller bearings to prevent binding and the need for maintenance

Access Lorado Roll-Up Tonneau Cover

- Low profile tonneau cover sits merely 1" above the truck box for smooth, clean look
- UV protected vinyl engineered to perform in both extreme hot and cold climates
- Patented Autolatch II Dual Locking system automatically secures when the cover is closed
- Hook and Loop system delivers high strength seal down the entire length of the side rails

Access Lomax Stance Folding Hard Tonneau Cover

- Increased versatility and functionality to your pickup with the behind the cab design
- Black urethane tonneau cover enables secure storage when closed and full bed use when in the vertical position
- Constructed from strong aluminum alloy panels with aluminum channels and durable weatherproof seals
- Powder coated steel pivot links with rubber bushings and rooftop anchors prevent vibration noise and the cover from resting against rear window when vertical
- Multiple finishes available including Black Urethane, Black Diamond Mist & Carbon Fiber

Access Lomax Folding Hard Tonneau Cover

- Low profile design, lightweight hard tonneau delivers strength, security and style
- Easy to operate featuring a simple one person installation and removal
- Strong aluminum panels with durable, watertight hinges available in multiple finishes to perfectly complement your truck and OEM bed caps
- Extruded aluminum channels under the panels keep the hard truck bed cover rigid while reducing weight
- Multiple finishes available including Matte Black, Black Urethane, Black Diamond Mist, Diamond Plate & Carbon Fiber

Access LED Strip Lights

- Illuminate the darkest places utilizing waterproof LED strip lights
- Strong 3M adhesive provides a quick and easy installation to almost every surface
- Powered by 3 AA batteries or a 12v power source
- Applications include boats, RVs, trailers, truck beds, storage sheds, toolboxes and storage compartments

Access Cargo Retrieval Tool

- Easy way to reach cargo at the front of your pickup bed
- Manufactured from aircraft grade aluminum
- Convenient, multi-purpose tools are tough enough to handle large objects, yet light enough for anyone to use
- Available in fixed or extendable

in Towing Products™

Curt Class I & II Hitch Receiver

- 1 1/4" Receiver tube opening
- Gross vehicle weight up to 3,500 lbs
- Up to 350 lb maximum tongue weight
- Precision robotic welding for superior strength & fit
- Powder coat finish
- Industry-leading safety & performance testing

Curt Class III Hitch Receiver

- 2" Receiver tube opening
- Gross vehicle weight up to 5,000 lbs
- Up to 500 lb maximum tongue weight
- Precision robotic welding for superior strength & fit
- Powder coat finish
- Industry-leading safety & performance testing

Curt Front Hitch Receiver

- Provides a convenient mount for plows & other accessories
- 2" Receiver tube opening
- Gross vehicle weight up to 5,000 lbs
- Up to 9,000 lb straight line pull capacity
- Precision robotic welding for superior strength & fit

Curt Class IV & V Hitch Receiver

- 2" or 2 1/2" Receiver tube opening
- Gross vehicle weight up to 20,000 lbs
- Up to 2,700 lb maximum tongue weight
- Precision robotic welding for superior strength & fit
- Powder coat finish
- Industry-leading safety & performance testing

The **FIRST** Name
in Towing Products™

Curt Crosswing Lightweight 5th Wheel Hitch

- Premium steel construction offers robust 20,000-lb capacity
- Features patent-pending ShockDrop technology to reduce jerking and jamming
- Reinforced head connection point for superior strength and peace of mind
- Easy, one-person installation and removal (fits industry -standard rails) 65% lighter than most traditional 5th wheel hitches
- Unique coupling system eliminates guesswork by offering visible contact surface

Curt E16 5th Wheel Hitch

- Pivots on dual axes for 10 degrees of lateral movement
- Automatically locks for easy, secure coupling
- Operates using a single handle, and features an anti-rattle skid plate to help reduce noise
- Compatible with kingpin extension boxes, including common pivoting pin boxes
- Mounts to all industry-standard base rails and offers four height adjustments to adapt to each unique truck bed

Curt 5th Wheel Bracket & Base Rails

- Available in custom, semi-custom & universal
- Can be used with all Curt and competitive 5th wheels, rollers, & goosenecks

Curt Powerride 30K 5th Wheel Hitch

- Tough, professional grade capacity and enhanced functionality
- Ergonomic, self-resetting handle for easier use from the side of the truck
- Multi-directional, cast yoke head for a smooth ride and less strain on the truck
- Constructed with a cast steel main body for dependable strength-tested and rated to 30,000 lbs GTW
- Fast, one-pin head removal makes moving easy with smaller, lighter pieces

Curt A16, A20 & A25 5th Wheel Hitch

- 16K, 20K or 25K Towing capacity
- Fast, one-pin head removal makes hitch removal easy
- Spherical axial bearing ensures smooth, quiet towing
- Dual jaws provide 360° kingpin contact
- Coupling indicators visible from vehicle cab
- Durable carbide powder coat finish
- Three height adjustment positions to adapt to each unique truck bed
- Mounts to all industry standard rails

Curt Gooseneck Hitch

- Up to 30K Gross towing weight
- Removable chrome 2 5/16" trailer ball
- Small 4" hole leaves bed flat and free of obstruction
- No welding or bed removal required
- Durable carbide powder coat finish
- Double lock pin security

Curt Ball Mount

- Available for 1 1/4", 2", 2 1/2", & 3" Receiver tube openings
- Various drop, rise & length sizes available
- Durable chrome or powder coat finish

Curt Hitch Ball

- Available in chrome, stainless steel or raw finish
- Various ball diameter, rise, shank length & shank diameter available
- Fine threads for more holding strength

Curt Hitch Pin & Clip

- Secures ball mounts and accessories to trailer hitches
- Bent handle for easy operation
- Available in zinc, chrome, stainless & black zinc

Curt Echo Brake Controller

- Wireless brake controller plugs into 7-way
- Turns your smartphone into a brake controller interface - works with either Apple or Android
- Portable design for easy transfer between vehicles, and stores multiple vehicle-trailer profiles
- Bluetooth connection up to 50 feet
- Triple-axis, motion-sensing accelerometer

Curt Echo In-Line Trailer Brake Controller

- Bluetooth connection to control all brake settings from your smartphone
- Custom-designed app monitors brake activity and sends status updates
- Plugs in behind existing 7-way socket with USCAR connectors
- Waterproof enclosure seals and protects circuits against the elements
- Stores multiple trailer profiles - operates 2-8 trailer brakes at a time

Curt Assure Proportional Trailer Brake Controller

- Pressure-sensitive manual override button for precise braking power
- Large, high-quality 1-1/2" OLED screen displays full text readout
- Triple-axis, motion-sensing accelerometer for highly responsive, smooth stops
- Sleek, low-profile design with tactile buttons
- Nine levels of sensitivity adjustment for varying loads or driving conditions

Curt T-Connectors

- Standard T-Connector option
- Available with 4-way flat output
- State of the art surface mount technology (SMT)
- Available for most vehicle applications

Curt Wiring Adapters

- Includes mounting brackets and hardware
- Adds a 6-way or 7-way to your existing 4-way flat

Curt Cargo Straps

- Perfect for securing cargo in trailers and truck beds
- Ratchet mechanism allows for greater tension on heavy loads
- Straps constructed from high-strength, woven nylon
- Available in assorted weight loads, widths and lengths

CURT™

The **FIRST** Name
in Towing Products™

Curt Hitch Mounted Bike Rack

- Available for 2, 3 or 4 bike
- Tilts down for rear vehicle access
- Adjustable rubber cradles won't scratch bike frame
- Tray Style or traditional Arm Style

Curt Cargo Basket Style Cargo Carrier

- Heavy duty, all steel tubular construction
- 6" tall sides for added security
- Available with fixed or folding shank
- Hitch pin included

Curt Aluminum Cargo Carrier with Ramp

- Fully welded aluminum construction with durable carbide black powder coat finish
- Mounts into any 2" x 2" receiver tube opening
- Rated to carry up to 500 lbs
- Available with optional built-in three position ramp can be extended, folded vertically, or stowed in the carrier

Curt Rebellion XD Adjustable Cushion Ball Mount

- Dynamic, adaptive suspension ball mount featuring ShockDrop technology
- Dampens jerking and jarring from bumps and potholes for smoother towing
- Increases driver controls by reducing tendency for trailer sway
- Adjustable, six-position head for precise leveling with different trailers 6" maximum drop

Curt Rockerball Cushion Trailer Ball

- Dynamic trailer ball featuring ShockDrop technology
- Dampens jerking and jarring from bumps and potholes for smoother towing
- Cushioned isolators reduce rattling and vibration for a more comfortable ride
- Retrofits onto most existing ball mounts to improve current towing experience

Curt Trutrack Weight Distribution System

- Integrated sway control actively resists sway and levels the vehicle and trailer
- Welded head with cast pieces provides solid spring bar attachment
- Uses spring & cam system with hardened components, instead of metal friction
- Fits virtually all A-frame trailers

Curt Rambler Steel Tow Bar

- Non-binding latches for easy release on uneven ground
- Automatic, hands free locking mechanism ensures you are ready to tow
- Extended arm length for extra hookup radius and clearance
- Rigorous physical testing for proven safety and performance

AMERICA'S FAVORITE FIFTH WHEEL HITCHES

COMPANION™ SINGLE-POINT

The **Companion™** adored by RVers, was designed to address the issue of sloppiness in hitches. The result is a quiet, cushioned ride that is free of jerking. And it's removable. Free up your truck bed when you're not towing.

COMPANION™ SLIDER

The **Companion Slider™** has all the benefits that customers love about our Companion, but adds the additional turning clearance you might need with a short-bed truck. It has an automatic latch in both directions and 12" of rearward travel. It uses the same cushioned coupler as the original Companion, with cam operated jaws that eliminate binding. And it's removable, with no rails left in the bed when you're not towing.

COMPANION™ FOR FORD, GM & RAM PUCKS

The **Companion for Ford Pucks**, **Companion for Ram Pucks**, and **Companion for Chevrolet/GMC Pucks** have all the benefits that customers love about our Companion, but it's designed to work with the factory hitch platform.

It uses the same cushioned coupler head as the original Companion, with cam operated jaws that eliminate binding. And it's removable, with no rails left in the bed when you're not towing.

PATRIOT RAIL-MOUNTED

The **Patriot Series** is our rail mounted line-up of fifth-wheel hitches. Designed as a lighter-weight alternative to the Companion, with many of the same great features.

BW TOW & STOW[®] ADJUSTABLE BALL MOUNT

TRAILER HITCHES

The Tow & Stow is adjustable in height and has multiple ball sizes. By pulling two pins, the hitch can be stowed out of the way.

- Steel construction with black powder coat, chrome or Browning logo
- Available in 2", 2.5" and 3" shank sizes
- Easily stows under the vehicle when not towing

HEAVY-DUTY BALL MOUNTS

HIGH GLOSS POWDER COAT FINISH

- 16,000 lb GTW with either 2", 4" or 6" drop
- 2" and 2.5" shank sizes available

REDUCER SLEEVES

- Adapter slides directly into hitch or onto shank of hitch accessory
- Reduces 2.5" receiver to 2" receiver, or from 3" to 2.5"
- Adapter stops when flush and holes are aligned, cutout notch allows removal with a screwdriver
- Rotate 90 degrees for different truck hole depths

TURNOVERBALL®

#1 SELLING GOOSENECK
HITCH IN AMERICA

- Solid, machined 2-5/16" ball
- Durable, powder-coat finish
- Only 4" hole in the bed
- Bolts to existing holes in the frame with no drilling or welding
- Flexible latch pin handle attached to a spring loaded, 5/8" steel locking pin that goes completely through the ball
- Limited Lifetime Warranty

OEM BALL AND SAFETY CHAIN KIT

FOR USE WITH FACTORY TOWING SYSTEMS

The grip latch handle keeps your hands grease-free, while the ultra-heavy-duty construction and safety chains give you peace of mind with your OEM setup.

EXTEND-A-GOOSE OFFSETS TRAILER 10"

- Self-aligning coupler design
- Heavy wall tube with internal gussets provides maximum strength
- Easier hook ups with more clearance at the tailgate and trailer
- Fits all standard 4" I.D. round trailer tubes
- Funnel shaped coupler assists in aligning the trailer with the hitch.
- Accommodates padlock for theft prevention

4 INCH EXTENDER

OFFSETS BALL 4"

- An accessory to the Turnoverball®
- Moves pivot point rearward four inches
- Removable
- Made from 3/4" steel plate

Stromberg Carlson Vented Tailgates

- Open design improves vision
- Heavy duty steel tubing
- Reduces drag on truckbed
- Improves handling
- Custom fit
- High gloss black finish

Stromberg Carlson Louvered Tailgates

- Composite steel and plastic construction with single hand release
- Reduces drag on truckbed and improves handling
- Custom fit
- Black finish or can be painted to match your vehicle for a custom look

CIPA Custom Towing Mirrors

- Designed to fit over existing mirror with wedge lock security
- Custom design ensures a perfect fit, and no annoying vibration
- Easy install with no tools required
- Does not obstruct existing mirror
- Sleek custom design compliments the existing mirror

CIPA Clip-on Towing Mirror

- Universal application and position
- Clips directly onto existing mirrors for quick setup with no tools required
- Extends your towing vision up to 7"
- Adjustable arms fit tight on any mirror for a steady vibration-free ride
- Good, economic alternative to expensive towing solutions

Timbren SES Suspension Upgrades

- Provide superior suspension performance under the stress of heavy loads
- Patented Aeon rubber springs engineered to absorb road shock providing comfort and stability
- Improves ride and handling while eliminating trailer sway and roll
- Easy Bolt-On & Pop-In installation

A Complete Line of Adjustable Air Spring Kits and On-board Compressor Systems

- Custom mounting brackets

Steelcraft 5" Oval Side Bars

- Great look while providing an extra boost to get in or out of your vehicle
- Available in T304 polished stainless steel or black e-Coat mild steel
- Textured polyethylene step pads mounted into stamped recesses for slip-free stepping
- Custom mounting brackets for a no-drill installation

Steelcraft Premium 5" Oval Side Bars

- Practical and stylish design provides exceptional boost into vehicle
- Available in T304 polished stainless steel or black e-Coat mild steel
- Textured polyethylene step pads mounted into stamped recesses for slip-free stepping
- Custom mounting brackets for a no-drill installation

Steelcraft HD Elevation Replacement Bumpers

- Crafted from durable flat steel guaranteed to provide superior protection
- Front bumper is winch and 20" light bar ready while retaining factory fog lights and license plate
- Rear bumper add protection along with a convenient large built-in step to access truck bed
- E-coated and powder coated with Texture 1 Matte finish

Steelcraft STX100 Step Board

- OEM Style board enhances the appearance of vehicle
- Full length HD extruded aluminum for added strength
- Polished stainless steel protective side trim with full 6" black non-slip step surface
- Custom heavy duty vehicle specific brackets included

Steelcraft STX400 Step Board

- Features extruded aluminum body for ultra-light weight and aircraft quality strength
- E-coating and powder coating provide years of durable finish and superior corrosion resistance
- Aggressive 5" custom polyethylene step pads
- Available in black or stainless
- Includes custom mounting brackets

Steelcraft STX500 Step Board

- 6" width matches OE running boards and formed structure adds strength and durability
- Available in black powder coat or brilliant polished stainless steel
- Connects to OE vehicle mounting locations for ease of installation
- Textured full width step pad for secure footing
- Available in several lengths for a custom match to today's trucks

Steelcraft STX600 Step Board

- Heavy duty 14-gauge, precision stamped carbon steel deck features aggressive traction lugs designed for maximum footing in all weather conditions
- Full 6.5" step surface for comfort and security
- Fully E-coated to resist rust and corrosion
- Deck surface features 1-piece stamped end caps welded directly to the deck to deflect road debris away from the vehicle
- Available in multiple lengths to fit most popular trucks and vans

Steelcraft STX700 Drop Step

- Modular, Aluminum drop steps that allow flexible conversion from nerf bars to rock sliders by removing the easy bolt on drop steps
- Precision extruded aluminum tube body engineered for strength, yet light weight
- Full length mounting channels for easy installation and customizable step location
- Bolt-on adjustable drop step surface that feature reverse punch plate for maximum traction
- E-coated to resist corrosion then powder coated in a fine-textured black finish for long life and rust-free performance

Steelcraft HD Grille Guard

- Heavy-duty one piece construction wrap-around design keeps entire front end and headlights protected
- Punched plate grill
- Built strong and can take a beating
- Available in black eCoat

Steelcraft Grille Guard

- Heavy-duty one piece construction
- Protective rubber stripping
- Pre-drilled holes for auxiliary lights
- Removable headlight covers
- Easy no-drill installation
- Available in black eCoat or T304 polished stainless steel

Steelcraft LED Bull Bar

- Heavy-duty one piece construction with high quality 3" diameter tubing
- Includes 20" LED light bar delivering 4500 lumens in a bright flood beam pattern
- Integrated removable skid plate
- Easy no drilling or cutting installation
- Available in black eCoat

Steelcraft Bull Bar

- Heavy-duty one piece construction with high quality 3" diameter tubing
- Pre-drilled holes for auxiliary lights
- Integrated removable skid plate
- Easy no drilling or cutting installation
- Available in black eCoat or T304 polished stainless steel

Luverne Side Entry Steps

- High-polish stainless steel 7" step with contoured plastic end caps
- Easy, no drill installation on most models
- Brackets are pre-installed at factory on most models
- Available in polished stainless or textured black powder coat in custom sizes to fit a wide range of applications

Luverne Mega Step

- High-polish stainless steel with full-length, non-slip rubber step
- Extruded aluminum core for superior strength
- Features a 6.5" x 3" Step with a full 5" of step width
- Universal board lengths to fit a wide range of vehicles
- Brackets are black powder coated, high-strength steel
- Vehicle specific brackets sold separately

Luverne Grip Step

- Features a 7" x 2.5" aluminum step with durable black powder coat finish
- Innovative step design for added traction and safety
- Textured black ABS plastic end caps
- Universal board lengths to fit a wide range of vehicles
- Vehicle specific brackets are made of black powder coated high strength steel

Luverne Slimgrip 5" Running Boards

- Feature 4 3/4" wide tread to provide maximum traction and durability for safe entry and exit every time
- Sleek profile and angular endcaps give them an aggressive look to complement an offroad truck
- Lightweight non-corrosive aluminum with a highly durable textured black powder coat finish
- Vehicle-specific brackets to ensure a custom fit and no drill installation on each application

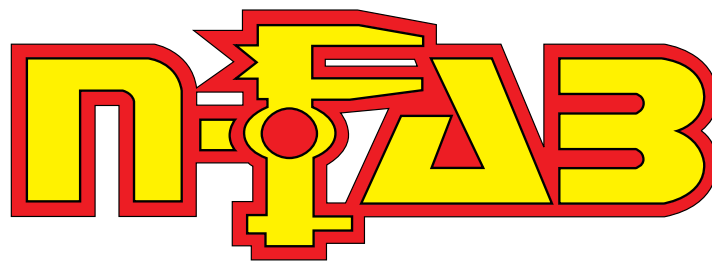

Luverne O-Mega Step II

- Features a 6" by 2.75" anodized T-6 aluminum oval step.
- Available in textured black or silver powder coat
- Universal board lengths to fit a wide range of vehicles
- Brackets are black powder coated, high-strength steel
- Vehicle specific brackets sold separately
- Tough aluminum step pads have protruded circular treads that will not wear or crack
- End Caps are made of paintable TPO Plastic for a modern look

Luverne Regal 7" Oval Step

- The largest oval step on the market features high-polish stainless steel 7" oval with contoured, factory installed plastic end caps
- Features a 7" wide step with factory installed non-skid step pads
- Universal board lengths to fit a wide range of vehicles
- Vehicle specific brackets and stainless steel fasteners allow for easy, no-drill installation on most models

N-Fab Nerf Steps

- Patented N-Fab hoop step design features a 3" main tube diameter
- Fits tight to the vehicle body for a clean, modern style
- Fully welded 1-piece construction for strength, long lasting durability, and ease of installation
- Available in Cab length, Wheel to Wheel, and Bed Access configurations
- Drop down step design and location is engineered to allow for ease of access on stock or lifted vehicles

N-Fab Predator Pro Step

- 100% Aluminum construction for long-lasting durability and corrosion resistance in the toughest environments
- Engineered aluminum extruded main bar with aluminum end caps fit tight to the body creating the ultimate in clean style
- Patented drop down hoop step with new larger step area for ease of access for stock or lifted vehicles
- Fully welded 1-piece design for strength and ease of installation

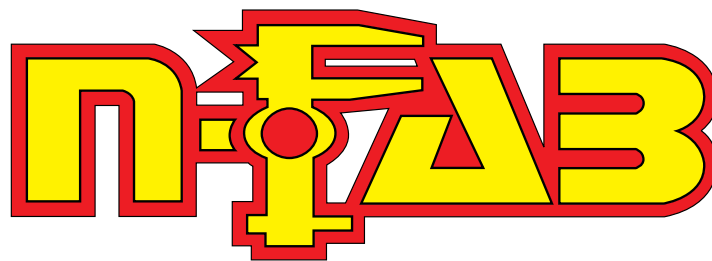

N-Fab Podium Step

- Main tube fits high and tight to the vehicle body
- Stainless steel construction in either high polish finish, or textured black powder
- Drop down step design and location is engineered to allow for ease of access for stock or lifted vehicles
- Fully welded 1-piece design for strength, long lasting durability and ease of installation
- Available in cab length and wheel to wheel with bed access configurations

N-Fab EpYx Step

- Modern angular design that fits tight to the vehicle body for a modern clean look featuring a full steel construction for strength and durability
- Available in textured black powder coat finish
- Drop down step positioned at each door with expanded step plate for ease of access on stock or lifted vehicles
- Installation made easy with new modular brackets allowing for simple adjustment for perfect fit

N-Fab Growler Step

- Aggressive tread design allows for traction in any condition
- 7" wide aluminum board and end caps for long lasting durability
- Available in textured black powder coat finish
- Bolt-on brackets make installation quick and easy

N-Fab Roan Running Board

- Constructed using a sturdy 1.75" perimeter tube supporting a fully-welded 12 gauge steel top plate.
- Fully-welded heavy-duty steel tubing frame and top plate offer superior strength and durability-load tested to 475 lbs
- Xtra large 5.5" x 21" louvered step plate positioned at each door allows easy and secure vehicle access in any weather condition
- Adjustable mounting system designed for versatile fitment on stock or lifted vehicles

N-Fab RKR Rails and Step

- Rails are fully welded to provide maximum strength as well as treated inside and outside to resist rust and corrosion
- Patented detachable step option allows ease of access and installation
- Standard color textured black powder coating using N-Fab's 3-stage powder coating process
- Rails have optional drop-down steps that are sold separately in pairs for a unique look

N-Fab Prerunner Front Bumper

- Front bumper follows the line of the truck to create an extremely clean and aggressive pre-runner look
- Multi-mount system allows for a various combination of LED lights
- Two part system with bumper aluminum lower skid plate
- Available in standard gloss black or textured black powder coating, using N-Fab's 3-stage powder coating process

Aries 3" Round Side Bars

- Available in 304 stainless steel or black E-coated carbon steel
- Mount with strong, vehicle-specific carbon steel brackets using pre-existing factory holes - no drilling required
- Custom designed for each vehicle with custom bends and custom-placed step pads for the best possible fit

Aries Big Step 4" Round Side Bars

- Bold 4" diameter design accent larger, lifted vehicles
- Lightweight aluminum construction is strong, rust-free and 40% lighter than carbon steel.
- Finished in durable, textured black powder coat to maximize corrosion resistance while maintaining a clean, finished look
- Unique bends to contour to the body of the vehicle

Aries 4" Oval Side Bars

- Available in 304 stainless steel or black powder coat carbon steel
- Mount with strong, vehicle-specific carbon steel brackets using pre-existing factory holes - no drilling required
- Custom designed for each vehicle with custom bends and custom-placed step pads for the best possible fit
- Raised step pads offer wide, flat stepping surface that is textured making it resistant to slips and skids

Aries 6" Oval Side Bars

- Available in polished stainless steel or semi-gloss black aluminum
- OE styling to complement any vehicle
- Equipped with hard ABS plastic end caps for a finished look along with protecting interior from rust and corrosion
- Four standard lengths available 53", 75", 85" and 91"
- Vehicle specific brackets sold separately
- Extra wide, non skid step pads provide a generous 5" width for comfortable footing

Aries RidgeStep 6.5" Running Boards

- All steel construction with durable textured black powder coat finish
- High-strength steel mounting brackets provide a solid step, while the non-skid, stamped steel treads never crack or fade
- Vehicle specific brackets with track mounting system for a precise fit
- Welded end caps complement contours of the vehicle

Aries AeroTread 5" Running Boards

- Vehicle specific fit, curved edges, tapered ends and aerodynamic tread pattern add a modern accent to any SUV
- Aluminum base provides solid, lightweight, rust-free step and is covered in a front trim piece
- Offered in polished stainless steel or black powder-coated stainless steel
- Hard plastic treads feature textured pattern on the entire board for a total non-skid surface

Aries AdvantEdge 5.5" Side Bars

- 5.5" angular, eight sided tube profile and octagonal grid tread offer a fresh look to complement today's truck
- Aluminum alloy construction is strong, lightweight, rust-free, and has no plastic parts to avoid cracking or fading
- Vehicle specific brackets with track mounting system for a precise fit
- Offered in carbide black powder coat and chrome powder coat

Aries Rocker Steps

- Wide, flat profile mounts high to clear brush, and other off-road obstacles
- Welded top plate provides a convenient, comfortable 3" wide step up into the vehicle
- All-steel construction, double-tube layout, welded mounting brackets and textured black powder coat for long-lasting durability

Raptor

Series

Raptor 5" OE Style Full Tread Running Board

- Step treads along entire length of board
- Aluminum construction
- 400lb weight rating
- Black textured finish
- 10-year finish warranty

Raptor 6.5" Sawtooth Running Board

- Reverse punched serrated holes for maximum grip
- Aluminum construction
- 400lb weight rating
- Black textured finish
- 10-year finish warranty

Raptor 6" OEM Style Running Board

- Slip resistant step treads
- Aluminum construction
- 400lb weight rating
- Black textured finish or Brushed aluminum finish
- 10-year finish warranty

Raptor 5" Tread Step Running Board

- Full length tread style step pad
- Aluminum construction
- 400lb weight rating
- Black textured finish
- 10-year finish warranty

Raptor

Series

Raptor 5" Oval Style Running Board

- Classic oval style with modern angled end caps
- Aluminum construction
- 400lb weight rating
- Black textured finish
- 10-year finish warranty

Raptor 4" & 5" OE Curved Oval

- 30 degree curve at both ends
- 4" and 5" wide options available
- 500lb weight rating
- Black E-Coated - 10 year finish warranty
- Stainless steel - Limited lifetime finish warranty

Raptor RT Step

- Unique angled drop step design
- Slotted steps allow for grip & drainage
- Cold rolled 10 gauge steel construction
- 500lb weight rating
- Black E-Coated Finish - 1 year finish warranty

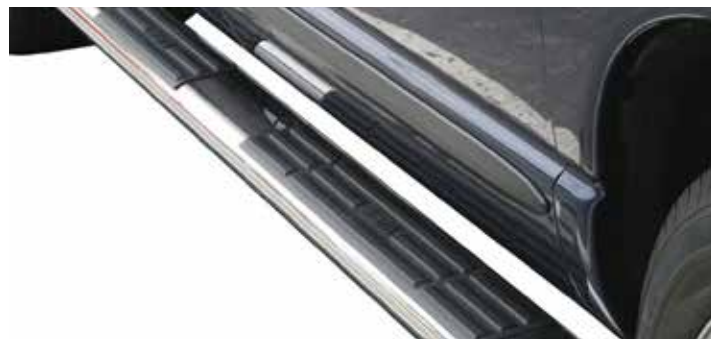

Raptor RT Gen 2 Step

- 30% longer and wider than the original RT Step
- Slotted steps allow for grip & drainage
- Cold rolled 10 gauge steel construction
- 500lb weight rating
- Black E-Coated Finish - 10 year finish warranty

Westin eSeries 3" Round Step Bars

- Available in stainless steel or black powder coated mild steel
- Easy, bolt on installation - no drilling required
- Recessed step area
- Custom designed - vehicle specific applications

Westin Premier 6" Oval Tube Step

- Available in stainless steel or black e-coated mild steel
- Easy, bolt on installation - no drilling required
- Universal board lengths
- Vehicle specific bracket kits sold separately
- 6" wide oval tube with 5" wide step pad area
- OE style finished look

Westin Sure Grip Running Boards

- Available in brite, brushed or black finish
- Extruded aluminum board with slip resistant rubber step area
- Molded end caps
- Universal board lengths
- Vehicle specific bracket kits sold separately
- Cradle mounted boards

Westin Molded Running Boards

- Available in black finish
- OE style design
- UV resistant black molded polymer step
- Extruded aluminum base board
- Universal board lengths available with or without lights
- Vehicle specific bracket kits sold separately
- Cradle mounted boards

Westin HDX Grille Guard

- Full "Punch Plate" grille
- 2" tube, full wrap around wings with one piece welded uprights
- HD rubber upright strips
- 1.25" tube for support wings
- Available in stainless steel or black powder coat mild steel
- Also available in Winch Mount style which includes winch tray and accommodates most manufacturer winches

Westin R7 Nerf Step Bars

- Available in stainless steel or black powder coat finish
- OE style design
- Feature oversized step pads and OE style traction grooves
- Injection molded polymer step pad
- Recessed board design conceals brackets
- Includes injection molded bracket covers

Amp Research Power Step

- Out of sight design automatically extends when any door is opened and retracts when the doors are closing
- Heavy-duty construction supports loads up to 600 lbs each side
- High-strength, die-cast, aluminum alloy components
- High-traction stepping surface for all-weather performance
- Heavy-duty, weather-proof motors with pinch-proof auto-stop technology

Amp Research BedStep

- Flip Down Bumper Step gives easy access to the truck bed when tailgate is open or closed
- Heavy-duty construction supports loads up to 300 lbs
- Die-cast, aluminum alloy components anodized and Teflon coated to resist corrosion
- Precision stainless steel pivot pins for rock-solid stability
- High-traction, all weather, composite step pad

Amp Research BedStep2

- Flip Down Box-Side Step mounts to either side of truck bed giving easy access to tools and cargo
- Heavy-duty construction supports loads up to 300 lbs
- Die-cast, aluminum alloy components anodized and Teflon coated to resist corrosion
- Precision stainless steel pivot pins for rock-solid stability
- High-traction, all weather, composite step pad

CARR Super Hoop Steps

- Available in polished aluminum, black or titanium silver finish
- Strong construction using durable aluminum alloy
- Non-slip tread pattern
- Corrosion resistant
- Easy installation

WeatherTech BumpStep

- Defends bumpers from rear end accidents, dents and scratches
- Use as a step to reach vehicle roof or bed access
- Measures 12" wide
- XL Version measures 24" wide

Lund 4" Oval Straight Nerf Bars

- 4" oval step provides extra-wide stepping area for solid traction and stability
- Rugged 304 stainless steel, and powder coated mild steel stands the test of time
- Ultra-smooth finish repels dirt and grime
- Customized to fit trucks and SUV's
- Pre-assembled for easy installation - all mounting hardware included

Lund 4" Oval Curved Nerf Bars

- 4" oval step provides superior durability and functional flair with a curved style
- Marine grade 304 stainless steel, or black powder coated mild steel stands the test of time
- Non-slip, flat step pads provide traction for safe footing
- Customized to fit trucks and SUV's
- Pre-assembled for easy installation - all mounting hardware included

Lund 5" Oval Straight Nerf Bars

- 5" oval nerf bar combines style, strength, and functionality for a modern OE look
- Tough 304 stainless steel, and powder coated mild steel stands the test of time
- 5" oval step creates safe, sure stepping surface
- Customized to fit trucks and SUV's
- Pre-assembled for easy installation - all mounting hardware included

Lund 5" Oval Curved Nerf Bars

- 5" oval step provides superior durability and functional flair with a curved style
- Marine grade 304 stainless steel, or black powder coated mild steel stands the test of time
- Non-slip, flat step pads provide traction for safe footing
- Customized to fit trucks and SUV's
- Pre-assembled for easy installation - all mounting hardware included

POCKET STYLE FLARES

OE STYLE FLARES

EXTEND-A-FENDER FLARES

CUT-OUT FLARES

Bushwacker Fender Flares

- Four unique styles to suit the look of your truck: OE Style flares offer the factory look in an aftermarket flare; Extend-a-Fender are great for larger wheel and tire packages; Pocket Style give the bold look of pockets without drilling or cutting; and Cut-Outs are designed for the most aggressive wheel and tire packages around
- Exceptional protection against debris scratching or denting your truck or Jeep.
- Made of heavy-duty Dura-Flex material
- Easy to install

EX FLARES

RX FLARES

SX FLARES

Lund Fender Flares

- Three unique styles: SX-Sport Style for a low-profile integrated original equipment (OE) style; EX-Extra Wide style for larger tire and wheel packages; and RX-Rivet Style for a bold and aggressive, eye catching design
- UV resistant to protect against fading
- Available in smooth black finish, or black textured finish, both paintable
- Tough and durable Tri-Flex ABS thermoplastic
- Gives your truck or SUV improved protection against rocks and debris
- Easy no drill installation utilizing factory attachment locations

Rugged Liner Bedliner

- Tough affordable bed protection in under the rail or over the rail option
- Non pooling skid resistant floors
- Tough, patented front corners and side walls with uniform wall thickness
- 2"x4" inserts to permit two-tiered stacking
- Tailgate liner included

Husky Liners Rubber Bed Mat

- Rubberized DuraGrip HD surface protects truck bed from damages or dings
- Anti-skid surface keeps everything in place protecting your cargo
- Air Dry Nibs elevate Bed Mat allowing air to pass through and dry moisture out

Rugged Liner Rear Wheel Well Liners

- Enhance your truck's appearance with an added bonus of protection
- Easy to install
- Gives the truck a more finished look
- Protects against damage from rocks, dirt, salt and road debris

Husky Liners Rear Wheel Well Guards

- Guards wheel well from rust and decay caused by rocks, dirt, salt and debris
- Durable, impact resistant all-weather thermoplastic material
- Quick and easy to install

BEDRUG
PREMIUM BEDLINER

Bedrug Bedliner

- Innovative and unique truck bedliner
- Rugged construction handles heavy cargo
- Bleach, oil and even battery acid washes off
- Comfortable, knee friendly 3/4" cushioned floor
- Anti-skid surface prevents cargo from shifting
- Engineered for exterior use
- Stain & UV resistant
- Easily cleaned with just water

WeatherTech®

WeatherTech TechLiner

- Custom fit solution for protecting and preserving pick up truck beds
- "Soft touch" material helps prevent cargo from shifting
- Durable, flexible & UV resistant
- Seamlessly lines the truck bed
- Tailgate liner also available

BEDRUG
PREMIUM BEDLINER

Bedrug Bed Mat

- Ultra Tough 100% Polypropylene product
- Slip and skid resistant fiber
- Superior comfort - cushioned and knee friendly
- Waterproof, chemical & stain resistant
- Designed for exterior use - will not absorb water

BEDRUG
PREMIUM BEDLINER

Bedrug XLT Bed Mat

- Ultra Tough 100% polypropylene product
- Slip and skid resistant, giving you a flat working surface
- 3/4" thick padded floor gives you impact protection
- Integrated tailgate gap guard hinge keeps debris out of our truck bed
- Waterproof, chemical and stain resistant

BACKRACK™

FUNCTION AND STYLE FOR TODAY'S TRUCKS

Backrack Truck Rack

- The original BACKRACK maintains your truck's stylish good looks while providing strength and functionality.
- Cab guard protectors mount to existing stake pockets at the front of your bed to protect your cab from damage by large, heavy cargo shifting.
- Reinforced steel construction ensures high strength and rigidity and a protective layer of black powder coat resists scratches, chips and corrosion.
- Provides a practical tool to carry ladders and long loads, secure shifting cargo and has the ability to mount most any type of light or accessory to it.

Backrack Hardware Kits

- Vehicle specific hardware kits designed to utilize existing stake pockets wherever possible
- Consists of a rail mount bracket and rail plate that adds strength to the sheet metal bed rail of the truck
- Rail plate provides a solid base on which to secure the cab guard assembly

Backrack Toolbox Installation Kit

- No Drill installation kit designed to accommodate a standard 21" cross bed Toolbox
- Toolbox sits on top of the Toolbox Bracket which allows the Toolbox to slide forward so bed space is not wasted
- Toolbox is secured to the Toolbox Bracket by drilling sheet metal screws thru Toolbox into the top of the Toolbox Bracket

Backrack Tonneau Cover Adapter

- Designed for tonneau covers that clamp to the inside rail of the trucks bed rails
- Made with reinforced steel construction, which ensures high strength and rigidity
- Protective layer of black powder coat to resist scratches, chips, and corrosion

Backrack Utility Light Bracket

- Utility light bracket 16" by 7" rectangle with center mount
- Constructed of reinforced steel, which ensures high strength and rigidity
- Clamps to flat bar on horizontal assembly
- Hole in base to run wiring through
- Can be used with Safety Rack by utilizing longer bolts

Backrack Landscape Tool Holder

- Landscape tool holder attachment fits 5 tools
- Clamp on universal fit for all racks
- Kit includes 4 clamps, fasteners, and 2 horizontal tool holders

Decked Cargoglide Bed Slide

- Sliding tool box that makes loading, unloading and accessing your tools and gear safe, easy and fast
- Tray rolls on heavy-duty bearings actuated by a single-handed latch
- Constructed with heavy-gauge, powder coated American steel and industrial grade marine plywood coated with a thermoplastic top sheet
- Available in 70% or 100% extension options with 1,000lbs, 1,500lbs or 2,200lbs tray capacity

Rhino-Rack Crossbar Roof Rack

- Roof rack system tailored to suit your specific vehicle
- Designed for all roof types including bare roof, fixed point mount, rail mount or gutter mount
- Various types of cross bars available including Vortex, Heavy Duty and Euro style depending on intended use
- Bar Styles include Flush providing a stylish design or Overhang allowing for additional storage space

Rhino-Rack Cap/Topper Rack System

- Roof rack system tailored to suit the most popular cap/topper and trucks on the market
- Wide range of leg and bar options to meet a variety of situations and ensure your load is level and safe
- Mounts include Cap Topper Mount, Quick Mount or Artificial Gutter Mount

Rhino-Rack Kayak Carrier

- Large range of Kayak and Canoe carriers are perfect for all type of water craft
- Fit a variety of hull shapes with perfect hull contact
- Marine grade felt lined rear cradles for maximum hull protection
- Various carrier options hold up to 4 kayaks

Rhino-Rack Hitch Mounted Bike Carrier

- Hitch mounted carrier fits up to two bikes
- Adjustable cradles designed to fit all types of bike frames
- Carriers fit up in 2 inch hitch receiver
- Foam padding for extra protection
- Folding top arm and pull latch for access to rear lift gate on vehicles

Decked Drawer System

- Two full-bed length drawers provide segmented, easy to access storage
- Deck sits above wheel wells maximizing truck bed's surface area, still providing easy access to smooth rolling storage drawers underneath
- No drilling required for most vehicle applications - simply attaches to your truck bed tie downs
- Weatherproof which will protect tools and gear

Decked Drawer Accessories

- Optional accessories for Decked Drawer System
- Drawer dividers to improve organization
- D-Box toolbox maximizes drawer storage efficiency and organization

Decked Tool Box

- Constructed using injection molded, high-impact resin with galvanized steel and aluminum reinforcement
- Robust steel armored locking mechanism combined with driver side lock makes forced entry nearly impossible
- Molded, not welded, for a seamless lid and tub as well as overbuilt, moisture repelling, watertight architecture
- Anti-corrosion treated steel and aluminum hardware make for long-lasting durability
- Optional aluminum step ladder for easier access

UWS Crossover Tool Box

- Connecting rod allows for convenient operation from driver or passenger side
- Widespread handles are easy to reach from either side of the truck
- Patented RigidCore foam-filled lids to maximize strength and prevent binding
- .058" extra-thick one-piece aluminum tub holds heavy tools and cargo
- Stainless steel lock handles for security and corrosion resistant operation
- Tool trays and built in screwdriver holders for easy organization
- MicroSeal gasket helps seal out moisture, dust and dirt

Truxedo Tonneau Mate

- Mounts under a tonneau cover for added security
- Universal design fits most full-size trucks with or without a tonneau cover
- Mounts to side of bed to allow for use of the entire truck bed floor
- Design allows for front, middle, or rear placement in the truck bed

QAA Stainless Steel Side Fender Trim

- Constructed of premium quality 304 bright stainless steel
- Vast array of vehicle applications for a perfect fit
- Offered in full moon, 3/4 moon, and half moon applications
- Installed with 304 Stainless self tapping screws
- Custom patterns and pieces available

Amp Research BedXTender HD

- Newly designed with rounded rectangle tubes delivery maximum strength and rigidity
- Torque-resistant composite uprights
- Flip it out to gain extra 2 feet of bed length or flip in to secure smaller cargo
- Available in silver or black powder coat finish

Husky GearBox

- Perfect for storing loose items, reducing clutter and keeps vehicles clean and organized
- Engineered to specifically fit under the vehicle's rear seats
- Large capacity with removable dividers
- Manufactured using co-extruded materials consisting of a rigid durable substrate for strength and soft impact resistant to minimize cargo shifting
- Black textured finish for a factory look

WeatherTech Under Seat Storage System

- Custom-fit pickup storage bin fits underneath rear seat to keep essentials organized
- Easy to install - no tools or drilling required
- Fits to the exact contours of application
- Built in dividers to keep everything organized
- Extremely durable

DuHa Storage Units

- Provides useful storage inside your truck cab to keep your gear organized
- Many models available in matching interior colors
- Store valuables safely out of sight
- Fits either under or behind your existing seats
- Constructed from heavy duty polyethylene
- Virtually indestructible and super easy to install

WeatherTech Digital Fit No-Drill Mud Flap

- Patent pending QuickTurn hardened stainless steel fastening system
- Mounts in minutes in most applications without the need for wheel or tire removal
- Contoured specifically for each application
- Molded from proprietary thermoplastic resin

Bushwacker Trail Armor

- Components transform and protect your vehicle
- Offer off-road durability and easy installation
- Custom style that stands up to tough use
- Components include: Hood Protector, Rear Corners, Rocker Panels, Sill Plates, Hood Scoop and other Accent Pieces

Pro Fit Road Sport Splash Guards

- Factory fit appearance
- Contoured for enhanced styling and full protection
- Guaranteed to be unbreakable down to -40F
- Complete with corrosion resistant mounting hardware
- Seven models fit virtually all of the popular vehicles on the road today

Husky Liner Custom Molded Mud Guards

- Excellent protection for your vehicle's exterior doors and quarter panels
- Developed using the latest in design technology
- Contour and form fit each specific vehicle's exterior fenders and designed for full tire tread coverage
- Manufactured from highly durable impact resistant thermoplastic to endure extreme weather conditions

Luverne Textured Rubber Tow Guards

- Convenient hitch-mounted system can be installed or removed as needed
- Full-width barrier offers a superior shield against rocks and other road debris
- 3/8" thick, recycled rubber flaps protect the trailer from unsightly damage
- Textured rubber surface hides scuffs and scratches to maintain a clean finish
- Easily clamps on any 2", 2-1/2" or 3" ball mount shank

SMOOTHBACK

OE STYLE

DIAMONDBACK

Bushwacker Ultimate Bedrail and Tailgate Caps

- Protects bed and tailgate rail from the wear and tear of daily use
- Available in smooth finish, diamond finish or OE style
- Gives vehicle a finished factory look
- Installs quickly and easily with 3M tape
- Works with tonneau covers and campers
- Matching tailgate and front cap available
- Available with or without stake pocket cutouts

Wade Bed Caps and Tailgate Caps

- Protects bed and tailgate rail from the wear and tear of daily use
- Gives vehicle a finished factory look
- Installs quickly and easily with 3M tape
- Works with tonneau covers and campers
- Matching tailgate and front cap available
- Available with or without stake pocket cutouts

DeeZee Wrap Side Bed Caps

- Protects the top edge of your truck's bed
- Custom fit wraps around the rear corners of the bed for maximum protection
- Available with or without stake pocket holes cut out
- Offered in non-rusting brite tread aluminum or black

Steelcraft Tubular Bed Rails

- Unique oval shape tube with brilliant polished finish
- Easy upgrade of your truck with a simple bolt-on application
- Made of heavy-duty T304 stainless steel
- Flexible mounting system accommodates most stake pockets

Auto Ventshade Ventvisors

- Lets fresh air in and keeps rain out
- Allows fresh air to circulate removing stale air and odors
- Reduces interior wind noise and mirror fogging
- Custom made, precision engineered to fit each vehicle
- Smoke finish adds distinctive style
- Installs fast with pre-applied 3M mounting tape

Auto Ventshade In-Channel Ventvisors

- Installs in window channel for a sleek, streamlined appearance
- Patented design enables easy installation and assured functionality
- Custom made, precision engineered to fit each vehicle
- Smoke finish adds distinctive style
- No exterior tape touches the vehicle

Auto Ventshade Low Profile Ventvisors

- Lowest profile ventvisor on the market today
- Creates a factory-installed seamless appearance with subtle modern style
- Custom made, precision engineered to fit each vehicle
- Smoke finish adds distinctive style
- Installs fast with pre-applied 3M mounting tape

Auto Ventshade Chrome Ventvisors

- Lets fresh air in and keeps rain out
- Allows fresh air to circulate removing stale air and odors
- Reduces interior wind noise and mirror fogging
- Custom made, precision engineered to fit each vehicle
- Chrome finish to match vehicle's chrome trim for a consistent look
- Installs fast with pre-applied 3M mounting tape

WeatherTech Side Window Deflectors

- Allows fresh air enjoyment with an original equipment look
- Quick and easy installation with no exterior tape needed
- Reduced wind noise and allow interior heat to escape, even when it is raining
- Made from the finest 3mm cast acrylic material available
- Available in light tint and dark tint

EGR Window Visors

- Designed to promote fresh-air circulation throughout your vehicle
- Fully-integrated, custom molded design allow for reduced window fogging
- Constructed of durable, scratch resistant, UV capped acrylic – available in Dark Smoke or Matte Black
- Easy, no tools necessary, installation of either classic Tape-on style or modern in-channel style

Auto Ventshade Bugflector II Bug Shield

- High profile, wrap around design provides maximum hood, fender and windshield protection
- Sleek aerodynamic appearance
- Off-the-hood design allows for easy cleaning and waxing
- Custom-molded, rugged, durable acrylic
- Available in dark smoke
- Easy no drill installation

Auto Ventshade Chrome Bugflector II Bug Shield

- High profile, wrap around design provides maximum hood, fender and windshield protection
- Thick "OEM quality" chrome plated ABS matches vehicle's chrome trim for a consistent look
- Off-the-hood design allows for easy cleaning and waxing
- Easy no drill installation on many popular applications

Auto Ventshade Aeroskin II Bug Shield

- Contours and flush mounts for skin-tight fit to the hood with deflection for road hazards
- Custom style that stands up to tough use
- OEM matte black textured finish
- Installs without drilling using 3M automotive-grade adhesive
- Precision engineered to perfectly fit your truck or SUV's hood

Auto Ventshade Aeroskin Bug Shield

- Contours and flush mounts for skin-tight fit to the hood
- Sleek, stylish - aerodynamic appearance
- Lowest profile on the market
- Unmatched protection for the hood
- Dark smoke finish
- Easy no drill installation

Auto Ventshade Chrome Aeroskin Bug Shield

- Contours and flush mounts for skin-tight fit to the hood
- Sleek, stylish - aerodynamic appearance
- Lowest profile on the market
- Unmatched protection for the hood
- Chrome finish
- Easy no drill installation

Auto Ventshade Lighted Aeroskin

- Contours and flush mounts for skin-tight fit to the hood with deflection for road hazards
- Only hood protector that offers amber LED marker lights for the edge of truck's hood
- Light bar consists of 5 amber LED marker lights that are powered by connecting to the vehicle's parking lights for a seamless integration

WeatherTech®

WeatherTech Digital Fit Front Floor Liners

- Digital laser measurements offer a consistently perfect fit
- Protects vehicle interior from all types of wear and tear
- Advanced surfacing channels fluids into lower reservoir, away from shoes and clothing
- Proudly designed, engineered, and manufactured in the USA
- Available in black, cocoa, tan or grey

WeatherTech Floor Liner HP

- Custom fit for your vehicle's make and model
- High-walled design helps contain messes of any kind
- Anti-skid nubs and underside texture keep FloorLiner HP in place
- Advanced rubber-like Thermoplastic Elastomer (TPE) compound won't break down in extreme weather environments
- Tactile feel
- Retention systems and anti-skid texturing on the underside ensure placement without any shifting or sliding
- Protects the bottom, front, back and sides of your vehicle's footwell

WeatherTech Cargo Liners

- Protects and preserves the cargo area from all types of wear and tear
- Custom molded specifically for your vehicle
- High outside lip helps contain spills in order to protect the cargo and truck carpet
- Skid resistant surface
- Proudly designed, engineered, and manufactured in the USA
- Available in black, cocoa, tan or grey

WeatherTech All Vehicle Mats (AVM)

- Advanced, semi-universal Trim-to-Fit vehicle floor mats deliver superior coverage
- Constructed from advanced rubber-like Thermoplastic Elastomer (TPE) compound for a virtually odorless, latex-free material
- Stays flexible in the coldest of temperatures
- Features a tall outer ridge and reservoir to help trap fluids and debris from the vehicle's flooring
- Proudly designed, engineered, and manufactured in the USA
- Available in black, tan or grey

Husky Liners Classic Style Floor Liners

- Tray-like design contains spills while providing better coverage and protection than factory floor mats
- Tough and durable patented durable rubberized material is resistant to most chemicals and minimizes cargo shifting
- Custom fit designed using the latest in laser scanning technology
- Available for front and rear seats and cargo area
- Available in black, tan or grey

Husky Liners WeatherBeater Floor Liners

- Form-fit edge patented design gives your floor liner a finished look while keeping damaging spills off your doorsill and carpet
- Patented Nibs help prevent the liner from shifting
- Custom fit designed using the latest in laser scanning technology
- Available for front and rear seats and cargo area
- Available in black, tan or grey

Husky Liners X-act Contour Floor Liners

- Tough and durable patented rubberized material is resistant to most chemicals and minimizes cargo shifting
- Form-fit edge patented design gives your floor liner a finished look while keeping damaging spills off your doorsill and carpet
- Patented Nibs help prevent the liner from shifting
- Custom fit designed using the latest in laser scanning technology
- Available for front and rear seats in black and cocoa

Husky Liners Heavy Duty Floor Mats

- Provide year round carpet protection
- Vehicle specific custom fit design
- Extra thick driver's heel pad provides years of life
- Patented Nibs help prevent the floor mats from shifting
- High perimeter ridges contain spills and debris
- Guaranteed not to crack or break even in the most extreme conditions
- Available in black, tan or grey for front and rear seats

Covercraft Seat Saver Seat Covers

- Custom fit, easy on and easy off
- Stops UV rays to protect seat finish
- Heavy-duty polycotton drill weave
- Machine washable and dryer safe
- Overlapped double stitched seams
- Choose from 3 fabrics and 13 colors/patterns

Curt Seat Defender

- Fast and easy to install, remove, clean and store
- Universal design available in four sizes and four colors to protect bucket seats, bench seats, and cargo area in virtually any vehicle
- Allow for side airbag deployment
- Dual sided construction with bottom layer that grips the seat and top layer defends against spills, dirt and more

WeatherTech® Weathertech Seat Protector

- Water repellant seat protector with non-slip underside
- Semi-custom design to fit the size and type of vehicle
- Quick and easy installation, as well as easily removable for cleaning
- Polycotton twill fabric with an extra layer of nylon lining to further protect the seat

Covercraft Evolution Car Cover

- High performance non-woven fabric
- Maximum UV protection and moisture resistant
- Soft inner layer for gentle protection on paint surfaces
- Breathable which allows any moisture or heat to escape
- Four layer thickness absorbs impacts to help protect the finish from nicks, dings, dents and scratches

Covercraft Carhartt Seat Saver Seat Cover

- Custom patterned seat cover, easy to install and remove
- Machine washable
- Applicable headrests and armrests included - console cover included on bench seats
- Available in Carhartt Brown and Carhartt Gravel colors
- Heavy-duty protection with highly water-resistant, super durable fabric

Fia Combination Winter Front and Bug Screen

- Promotes better fuel economy in the winter
- Promotes faster engine warm-up and interior heat
- Keeps diesel engines at optimum operating temperatures
- Protects radiator and grill from bugs and stones
- All weather heavy duty quilted vinyl for the winter and tear resistant heavy mesh screen for the summer

Rampage Tailgate Light Bar

- Designed to fill the recessed space between the tailgate and the bumper
- Installs easily using durable 3M automotive grade adhesive foam tape
- Heavy gauge wiring with plug-in flat four hitch connector plugs into existing trailer hitch
- Waterproof
- 60" or 49" lengths
- 6 Function - reverse, running lights, brake lights, emergency hazards, and left/right turn signals

Arc Lighting Emergency Strobe Light Bar

- Tiny Monster LED 12" Mini Light Bar provides a quick and easy way to add 360 degree warning lights to your vehicle
- 8 Plug n Play / Serviceable LED Modules
- 26 Different Strobe Patterns available in Amber or Amber/White Split
- UV Resistant Polycarbonate Cover with Water and Dust Proof Seal

Arc Lighting Concept Series LED Bulbs

- Built-in LED driver with Advanced Temperature Regulation
- Combine revolutionary performance with innovative design
- Bulb head can be rotated 360 degrees for perfect beam pattern
- Similar in size to stock bulbs but capable of producing light three times brighter than stock halogen bulbs

Pacer Hi-Five LED Cab Roof Lights

- Provides maximum visibility for your vehicle
- Adapts to curved and flat roofs
- Complete wire harness with quick wire connectors
- Available in amber or smoke lens
- Meets SAE specifications

Auto Ventshade Lighted Aerocab

- Custom-molded to match the curve of the vehicle's cab
- Features a light strip with 5 amber LED marker lights, easily powered by tapping into the vehicle's existing parking lights
- Made from tough Dura-Flex TPO with a textured matte black or color-match finish
- Easy installation using pre-installed 3M automotive grade adhesive

Arc Lighting Xtreme Series LED Bulbs

- Xtreme series can produce 5x the light output of stock halogen bulbs and are brighter than a 35W HID system
- Designed to be as compact as stock bulbs to fit in even the tightest spaces - compatible with both reflector and projector housings
- VacPipe vacuum heat pipe cooling technology pulls produced heat away from the circuit board
- Advanced Temperature Regulation ensures longevity of the cooling system from premature failure

««EXCALIBUR»»

Excalibur Standard 1 Button Remote Start/Keyless Entry

- Omega's ECHO 2-way technology gives real time alerts for all security and convenience functions
- State of the art vehicle security platform offers unsurpassed protection
- Up to 1,500' range
- Dual data ports - auto detects protocol independently
- Includes 2 one button transmitters

««EXCALIBUR»»

Excalibur Standard 4 Button Remote Start/Keyless Entry

- Omega's ECHO 2-way technology gives real time alerts for all security and convenience functions
- State of the art vehicle security platform offers unsurpassed protection
- Up to 1,500' range
- Dual data ports - auto detects protocol independently
- Includes 2 stylish four button transmitters

Omega Bypass Module

- Flashable 'all-in-one' Canbus immobilizer bypass
- Covers almost all available vehicle applications
- Interfaces with the vehicle's data networks
- Bypasses the immobilizer during remote start
- Provides doorlock control, door trigger, tach signal

OMEGA
RESEARCH AND DEVELOPMENT

Omega Plug N Play Remote Start

- Web programmable remote start solution
- Vehicle specific plug & play T-harness remote start solution
- Features '3XLOCK' remote start from factory transmitter
- Compatible with RF kit range extenders

OMEGA
RESEARCH AND DEVELOPMENT

Omega Plug N Play T-Harness

- Direct plug-in to any Excalibur starter
- Vehicle specific plug & play T-harness remote start solution
- Supports full security functionality
- Compatible with OLBLADEAL64 & OLMDBALL

OMEGA
RESEARCH AND DEVELOPMENT

Omega Keyless Entry System

- Keyless entry system with up to 500' range
- Trunk release option
- 3rd channel output
- 100% copper harnesses
- Includes 2 stylish four button transmitters

DIRECTED

Avital Remote Start with Keyless Entry

- Four button: Lock, unlock, trunk release & remote start
- Virtual Tach eliminates the need for a tach wire in most installations
- D2D serial data port for Xpresskits
- Bitwriter programmable for configurations
- Superhet receiver (HX) for great range
- Two remotes with dedicated AUX outputs

DIRECTED

Avital One-Button Remote Start with Unlocking

- Two micro-sized one-button remote controls
- Virtual Tach eliminates the need for a tach wire in most installations
- D2D serial data port for Xpresskits
- Bitwriter programmable for configurations
- Unlock while running output for optional unlock-while-running feature
- Superhet receiver (HX) for great range

DIRECTED

Avital Keyless Entry System

- Two remotes with dedicated Lock and Unlock buttons
- Lock, unlock, trunk release and Aux
- Door lock relays onboard

DIRECTED

Avital Transponder Bypass Modules

- Interface module for system installation
- Various Bypass solutions are available for specific makes and models of vehicles

Rostra Cruise Control

- Set your speed at the touch of a button
- Add on cruise control systems for Cars, Trucks & SUV's
- Seamlessly blend into the vehicle's interior

Rostra Back Up Cameras

- Sophisticated technology makes it affordable to have an added dimension of safety
- Make backing up easier and less prone to accidents
- Integrated into rear view mirror, or monitor models

Trimax Razor Adjustable Aluminum Ball Mount

- 6", 8" or 12" Solid Polished Aluminum Adjustable Drop Locking Ball Mount
- Dual 2" and 2-5/16" Chrome Balls and Receiver Lock
- Adjusts in 1" Increments and locks into place
- Can be flipped and used as a drop or rise hitch

Trimax Locking Receiver Pins

- Patented Universal Receiver Pin fits either 5/8" or 1/2"
- Machined from 100% Solid Stainless and/or Forged Steel
- Internal O-Ring and water tight cap helps to seal out dirt
- Large 1/2" Dual Lock lugs prevent false locking-Lock can't pop open

Trimax Universal Coupler Lock

- Universal Fit Coupler Locks with 1/2" or 9/16" Shackle
- Ballistic grade nylon housing absorbs hammer blows, protects against severe weather
- Extra security for unattended trailers
- Three models to fit all security needs

Trimax Coupler/Door Latch Lock

- Great for Trailer door latches, couplers and cargo boxes
- Easy 1/4 turn of key lock and unlock for maximum security
- Internal O-ring in lock body and weatherproof cap help seal out grime and corrosion
- Fits couplers up to 7/8" span

Pop & Lock Tailgate Locks

- Custom designed for easy installation
- Maximum security with stylish looks
- Blends in with existing handle for a smooth OE look
- UV resistant coating or custom chrome

Pilot Tailgate Locks

- High impact plastic bezel with factory look
- Locks the handle to keep tailgate from opening
- No drilling or cutting required
- Available for Chevy, GMC, Ford or Dodge
- Quick and easy installation

**MOBNETIC
PRO 90**

Mob Armor MobNetic Pro 90

- Unique double magnet mount for multipurpose use
- Instant docking for your smartphone or other device with effortless pan and 90° tilt adjustment
- Capable of mounting on any ferrous metal surface, or expand mounting location options with included Mob mounting discs
- 360° of rotation and 90° of tilt for optimal phone position

Mob Armor Mob Mount Switch

- Ultimate solution in smartphone holders
- Powder coat finish for durability and available in multiple colors to suit your style
- Magnetic mounting option comes with a 90 lb pull neodymium magnet that can attach to any ferrous metal surface
- Twist lock that can quickly and easily secure your device
- Various sizes to accommodate various size smartphones

Gasca Foam Cap Tape

- Economical seal between pickup truck caps and truck body side rails
- TP Series is cast on white paper
- TM Series is cast on mylar film
- Foam measures 3/16" in thickness

Driven by Design

Daystar Leveling Kits

- ComfortRide TM Suspension Strut Spacer Kit
- High density progressive polyurethane
- Lifts vehicles without sacrificing ride quality or load-carrying capacity
- Easiest way to add 20"-22" wheels and increase ground clearance
- No metal-on-metal contact as with other leveling kits
- Top mount easy install design - no special tools required for installation

Gorilla Wheel Locks

- Performance engineered for maximum wheel security
- Case hardened steel and chrome plated for lasting beauty
- External Security Pattern makes them virtually impossible to remove without the matching key
- Tamper-resistant clamshell packaging

Tite Lok Cap Clamps

- Constructed from high quality aluminum alloy built for long lasting service
- Used to secure pickup truck caps to truck body side rails
- Numerous applications available to fit any model or make

WeatherTech®

WeatherTech Golf Cart Mat

- Provides full coverage for your golf cart's flooring in one easy to install piece
- Made from the same durable, slip-resistant material as our popular FloorLiner HP material - won't crack, curl or break down over time
- Sculpted channel pattern designed to trap water and messes, which then flow off via drainage vents
- Patented cleat cleaner for removing grass, mud and dirt from shoes easily

WeatherTech CupFone & Two View

- Cell Phone Holder that sits conveniently in your vehicle's cup holder
- Designed using interchangeable base cups allowing you to customize the perfect snug fit
- Base allows phone to rotate 360°, adjustable for viewing from any seat position
- Phone holder tilts with full range of motion to allow proper angle of microphone and speakers
- Two View allows the option to view phone in the holder in either landscape or portrait view

WeatherTech TabletHolder

- Tablet stand fits your iPad, Amazon Fire, Samsung Galaxy Tab or virtually any tablet on the market
- Features an oversized, easy grip knob that rotates to change your viewing angle
- Tripod base features anti-skid rubber feet and a weight for stability
- Anti-slip material on both the holder face and holder hooks ensure your tablet stays safe and secure
- View in either portrait or landscape mode, with or without a charging cable

WeatherTech ComfortMat

- Engineered with ergonomics in mind, ComfortMat is 3/4" thick and helps alleviate body and joint aches from standing for long periods of time
- American-made interior foam material is strong enough to help prevent curling yet soft enough to help ease discomfort
- Available in Black, Tan or Grey to match your floors in three finishes: Carbon Fiber, Textured Stone and Bordered
- Slip-resistant ComfortMat features a beveled edge for safety, and textured surface and underside for add durability, traction and grip

WeatherTech DeskFone

- Cell Phone Holder that sits conveniently right on your desktop - perfect for work or at home
- Tripod base design provides a stable foundation for your phone, so there's no wobbling or tipping over
- Phone holder tilts with full range of motion, so you can see your screen from any angle
- Open access design allows for easily charge your mobile phone while in the holder

WeatherTech CupCoffee

- CupCoffee holds your 14 oz or 24 oz YETI Rambler and similar sized, handled coffee cups securely in your vehicle's cup holder
- Curved outer lip makes placing and removing your Rambler effortless
- Can be adjusted to fit recreational vehicles-boats, golf carts and many other options
- Add the included StickySleeve and removable Coaster for even more stability

WeatherTech®

WeatherTech Child Car Seat Protector

- Provides protection against spills, crumbs and compression damage on your fabric or leather
- Shaped to ensure no interference with seatbelts with front flap that falls over the edge of the seat for extra coverage and anti-skid surface to prevent slipping and sliding
- Sturdy, durable design is built to last
- One size fits virtually any rear or forward-facing child car seat or booster with side flaps that are trimmable to custom-fit your area of protection

WeatherTech Indoor/outdoor Mats

- Heavy duty non-slip mat for interior/exterior entry way
- Traps and contains fluids and dirt from foot traffic
- Available in four colors: Black, Tan, Grey or Brown

WeatherTech Boot Tray

- Designed to funnel messes away from footwear
- Great solution for storing messy footwear
- Available in four colors: Black, Tan, Grey or Brown

WeatherTech Pet Barrier

- Keeps pets secure in vehicle behind your 2nd or 3rd row seats
- Adjustable and expandable
- Fastens securely to interior - no tools or drilling required

WeatherTech Cargo Tech

- Cargo containment system for your trunk
- Contains and organizes trunk cargo area
- Grippy underside prevents cargo from sliding

WeatherTech Pet Ramp

- Help pets of any age to access vehicles and various household areas
- Ramp has a molded-in soft, textured rubber surface, to provide extra traction for your pet
- Designed with rubber feet on both ends, which help prevent the ramp from slipping/sliding on both the ground and your vehicle
- Hinge end is flat when folded, allowing for easier storage
- Easy to operate - simply unfold and place on vehicle/surface to be used

303 Protectant

- Renews the natural luster and texture of your tonneau cover
- Easy application, just spray on and wipe dry
- Keeps UV sensitive materials "like new" year after year
- Available in 2oz, 10oz, and 16 oz Sizes

BEDRUG
PREMIUM BEDLINER

Bedrug Trackmat

- Measures a full 2' by 4' - folds in half for easy storage
- Impact absorbing cushion saving your knees and back from the ground
- Water and stain resistant just like the padding used in life jackets
- Made from 3/4" closed cell foam fused with 100% polypropylene fibers

CHAMPION
SEAT SYSTEMS

Champion Seat Heaters

- Carbon fiber heating element
- Automatic dual temperature light switch
- Pads can be cut to length or notched for fitment
- Detachable heavy duty control module/relay
- Universal fit for most cars, trucks, SUV's, ATV's, motorcycles, boats and more

TRUXEDO
TRUCK BED COVERS

TRUCK LUGGAGE
Cargo Management System

Truxedo Expedition Truck Luggage

- Rail-mounted cargo bag offers 8 cubic feet of extra storage space
- Easily installed and fits most full size truck beds
- Weather resistant cargo bag has plastic floor panels and inserts for customizable support and organization
- Heavy duty commercial grade fabric

WeatherTech

Weathertech TechCare

- Heavy duty floor mat cleaner and protector
- Dissolves grease and oil stains from floor mats
- Lifts and removes scuff marks and messes from floor mats without compromising the quality and finish

B-light TONNEAU LIGHTING SYSTEM

TRUXEDO
TRUCK BED COVERS

Truxedo B-Light Bed Lighting System

- Under-rail truck bed lighting system illuminates entire bed with one switch conveniently mounted in cab or Battery option with no wiring - just peel, stick & go.
- Compatible with all makes and models of pickup trucks
- Contains 8 LED light pods with 6 LED bulbs in each
- Easy Installation
- Battery powered option can be mounted anywhere - Boats, Campers, Toolboxes & Sheds
